\_\_\_\_\_ Date Report is Filed

\_\_\_\_\_ Name of Insurer

<sup>1</sup> Economic losses means payment for: 1) loss of earnings, 2) medical & funeral expenses, and 3) property damage restoration expenses such as for prosthesis.

<sup>2</sup> Non economic losses such as payments for pain & suffering, and loss of consortium.

<sup>3</sup> ALAE = Include total ALAE incurred since claim was filed on claims closed with payment. Under others, include expenses paid for other than legal, such as those paid for expert witnesses or translators.

<sup>4</sup> ALAE = Include total ALAE incurred since claim was filed on claims denied or closed without payments. Under others, include expenses paid for other than legal, such as those paid for expert witnesses or translators.

<sup>5</sup> Must be the result of the following formula:

Pending claims at end of previous semester + Number of claims first received + Number of claims reopened - (Claims Paid + Claims denied or closed without payments).

\_\_\_\_\_ Signature of Authorized Official
