

## **AUTOMOBILE CLUBS DOING BUSINESS IN PUERTO RICO**

### **2010 PUERTO RICO OPERATIONS SCHEDULE**

As part of the annual statement filing requested in Section 21.090 of the Insurance Code of Puerto Rico, the automobile club must include a schedule indicating the direct business in Puerto Rico, signed under oath by one of its principal officers, including the premiums or quotas received and unearned, and losses paid and unpaid.

For this purpose, we attach a blank form of the schedule titled: Puerto Rico Operations. If no business was written for said period, it must be also indicated in said schedule.
